DETECTIVE PIKACHU RETURNS

Solve mysteries with Detective Pikachu in this new Pokémon adventure.

In this new Pokémon game for the Nintendo Switch, unravel a series of mysteries across Ryme City with a tough-talking, coffee-loving Pikachu and his human partner, Tim Goodman.

When a jewel theft occurs, the case sets this great detective duo down a path filled with mystery. Why did Tim's father, Harry, go missing? What is causing the Pokémon-related incidents around Ryme City? Answer these questions and more by searching for clues, investigating scenes, and using your case notebook to make deductions.

MARIO KART 8 DELUXE

Nintendo Switch fans can enjoy the definitive version of Mario Kart 8 anywhere, anytime.

Burn rubber across Mushroom Kingdom raceways - underwater, in the sky, upside-down in zero-g, and past the finish - for the win! Get revved up for local multiplayer, online in-game tournaments, a revamped battle mode, and more!

Stay fresh in the Mario Kart 8 Deluxe game by playing as guest characters Inklings and Inkling Boy! You can use their Splatoon inspired karts on their battle mode stage, Urchin Underpass. There are also returning items, like Boo, the item-stealing ghost, and the Feather, used exclusively in battle mode. Veterans rejoice - you can hold two items at once! Prove you're the world's best racer and battler in online tournaments, or simply race and battle friends online. With many control options and handheld mode, there's always a way to play on the Nintendo Switch.

MARIO VS. DONKEY KONG

Donkey Kong has stolen the Mini-Marios! Solve platforming puzzles to get them back.

The age-old rivalry that heated up on Game Boy Advance reignites in Mario vs. Donkey Kong on Nintendo Switch. Featuring all-new graphics, solve all kinds of puzzles and test your platforming smarts as you try to recover the stolen Mini-Marios.

Stages full of puzzles are awaiting Mario. Progress through each stage by using the key to open the locked door containing a Mini-Mario. Examine your surroundings closely, use your wits to figure out the best route, and unleash your platforming skills to overcome obstacles and recover each of the stolen toys.

Pass a controller to another player to have them lend a hand in local co-op. Enlisting the help of a friend or family member might shed some light on new routes through tricky levels!

NINTENDO SWITCH OLED MODEL

The Nintendo Switch OLED Neon Model system includes additional features to take your gaming experience to the next level. Enjoy vivid colours and crisp contrast with a 7" OLED screen that makes colours pop. Freely angle the system's wide, adjustable stand for comfortable viewing in Tabletop mode. Enjoy enhanced sound from the system's onboard speakers when playing in Handheld and Tabletop modes.

Get the gaming system that lets you play the games you want, wherever you are, however you like. Bring the full home gaming system experience with you to the park, on an airplane, in a car, or to a friend's house.

Features:

- Pick it up and play with the Joy-Con controllers attached. Nintendo Switch (OLED model) includes a vibrant 7-inch OLED screen with a slimmer bezel. The large screen's vivid colours and high contrast deliver a rich handheld and tabletop gaming experience, bringing games to life whether you're racing at top speed or squaring off against enemies.
- Flip out the stand and hand a controller to another player to share the screen and enjoy competitive or co-operative multiplayer, anytime and anywhere. Nintendo Switch (OLED model)'s wide adjustable stand can be set to your preferred viewing angle for comfortable gameplay in tabletop mode.
- Gather around a big screen and enjoy gaming with a crowd. Dock your Nintendo Switch to enjoy HD gaming on your TV. The dock included with Nintendo Switch (OLED model) features two USB ports, an HDMI port for connecting to a TV, and a new wired LAN port, allowing for more stable online play when playing in TV mode.
- Nintendo Switch has a controller on each side of the console that function together: the Joy-Con. If you attach the two Joy-Con to the Joy-Con grip, it will work like a traditional controller, and without the grip they work as two individual, fully-functioning controllers.

There's so many ways to play with the Nintendo Switch Console. Enjoy the home console gaming experience, even without access to a TV. Nintendo Switch can transform to suit your situation, so you can play the games you want, no matter how busy life may be.

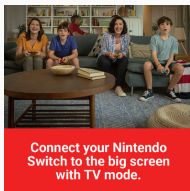

It's a new era where you don't have to adjust your lifestyle to play games - instead, your console adjusts to fit around your lifestyle. Enjoy games anytime, anywhere, with anyone!

All in one portable console experience.

Fun for all of the family!

Connect your Nintendo Switch to the big screen with TV mode.

There are 3 Different Ways to Play:

- The first is through your TV just like an ordinary console, using the controllers to play alone or with friends on a range of top-class games that bear Nintendo's tried and trusted seal of quality. Then, when it's time to leave the house – no problem, just take your gaming with you.
- The second mode lets you play tabletop. Just prop the console anywhere and use its built-in screen and detachable Joy-Con controllers to have fun on any flat surface either at home or on the move.
- The third mode is a traditional handheld experience. Just hold it like you would a phone or a Game Boy, view the games on the screen and work the buttons in handheld mode.

Dedicated to handheld play this is the console for gamers on the go.

The Nintendo Switch Lite is a compact, lightweight addition to the Nintendo Switch family, with integrated controls. It's a smaller version of the Nintendo Switch but you can enjoy many of the same features on this console and available in 4 colours Blue, Coral, Turquoise and Yellow.

The Nintendo Switch Lite supports all Nintendo Switch software that can be played in handheld mode. It's great for people who have lots of opportunities to play outside, and also for anyone who wants to play online or local wireless multiplayer with friends or family who already own a flagship Nintendo Switch console.

As a dedicated handheld gaming device, Nintendo Switch Lite does not support output to a TV.

Features:

- Handheld-only Switch device.
- Compatible with Nintendo Switch games that support Handheld mode.
- Integrated controls.
- Battery Life: Approximately 3 - 7 hours. The battery life will depend on the game.
- you play. For instance, the battery will last approx. 4 hours playing The Legend of Zelda: Breath of the Wild.
- Joy-Con controllers not included, only required for games not compatible with handheld mode.

TM

Join Mario and friends on a new 2D side-scrolling adventure full of wonder! Surprises await around every corner in Super Mario Bros. Wonder on Nintendo Switch.

Every course contains its very own Wonder Flower - collect one, and anything can happen. From moving pipes to tilting terrain, bouncing Hoppo's to stampeding Bulrushes, skydiving to space walks, you never know what'll happen next. You might even transform into something totally new! Wonder Flowers are often hidden away within courses, so keep your eyes peeled for anything suspicious or out of the ordinary!

Pick your favourite character and dive into the adventure. With 12 different characters to choose from, it's the largest line-up in a Super Mario game yet! Pick to play as Mario, Luigi, Peach and more! They all play in exactly the same way, so you can freely use your favourite character without having to worry. The Yoshis are a good choice for less experienced players, and in four different colours too! Yoshi is immune to enemy damage, can eat items and spit them out, and also perform a trademark flutter jump.

The world of Super Mario Bros. Wonder is even better when enjoyed with others! Play together locally or online and help save the Flower Kingdom from Bowser as a team, or enjoy enhancements to solo play by connecting online.
